

**WRITTEN NOTICE OF EDUCATIONAL INTERVENTION(S)**

Student Name: \_\_\_\_\_

Date: \_\_\_\_\_

The purpose of this notice is to advise you that, after reviewing the student's progress and consulting with you, the School has determined that the above-referenced student requires additional educational interventions in an effort to increase the student's rate of learning to grade level.

We will be providing the student with the following research-based strategies:

As these strategies are implemented, we will be collecting the following student performance data (including the amount and nature of data to be collected):

And will be providing the following general education services:

We agree the student will have made adequate progress after an appropriate period of time if:

We hope that our strategies and interventions are successful. However, if the student has not made adequate progress after an appropriate period of time, we are required to initiate a referral for an educational evaluation to determine if the student is eligible for special education and related services. If we initiate this referral, we will send you a written notice describing the evaluation process and ask you to provide written consent. Your consent is required before we can conduct the evaluation. After the evaluation is completed, the case conference committee, comprised of you and school personnel, will meet to review the evaluation results and determine if the student is eligible for special education and related services.
